Hazmat Made Easier for All Employees

A simple, easy-to-read handbook that helps your employees understand their hazmat responsibilities.

The ***Hazmat Made Easier for All Employees*** handbook gives your employees a solid overview of key hazmat requirements without overloading them with hard-to-understand terminology. It's an easy, affordable way to help your employees understand their responsibilities when handling, shipping, or transporting hazardous materials.

The handbook includes HM-232 security training requirements and reflects HM-215G updates. Samples from the hazmat tables have also been updated throughout the book, as well as references to the 2004 Emergency Response Guide.

Newly added sections for this updated edition of ***Hazmat Made Easier for All Employees*** include:

- New samples of the Hazmat Table (172.101)
- HM-215 (E and G) updates
- Highlighted chapter headings
- New chapter review quiz
- Reorganized to more closely mirror the regulations

Also included in the handbook is a quiz to reinforce employees' understanding and a receipt page to document training.

5-1/4" x 8-1/4 ", paperback, 112 pages.
